Features and Benefits

NOW TV's Broadband Buddy allows you to control what websites your family can access. It also helps protect you from websites that try to collect your private information without your knowledge, and sites that might harm your computer or other devices.

What specific content can I restrict?

What do I need?

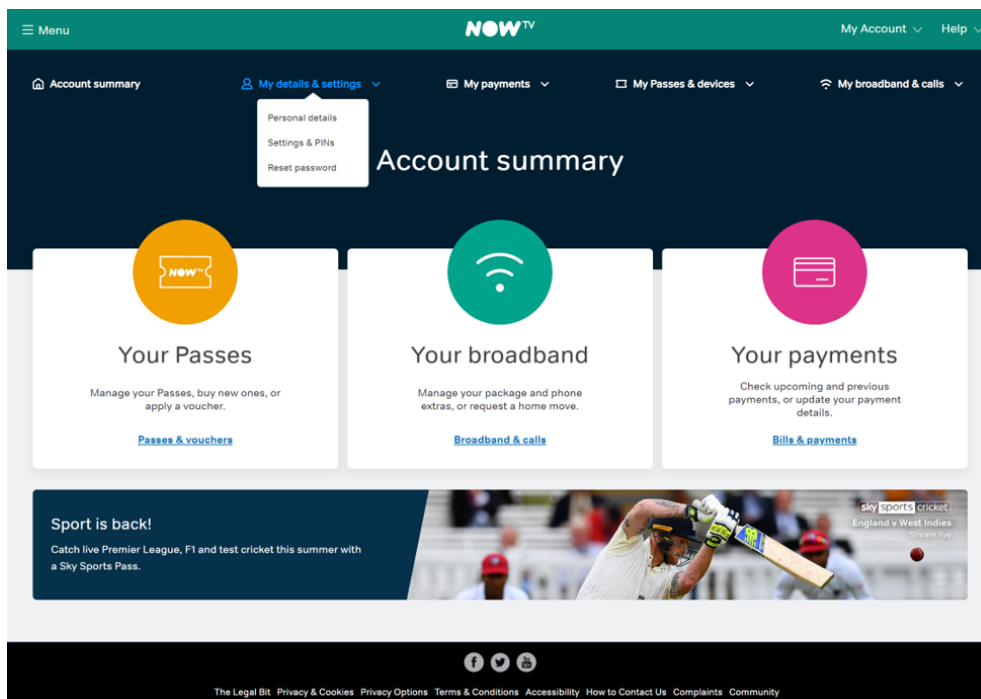

Broadband Buddy is available to all NOW Broadband and NOW TV Combo customers at no extra cost. It's not available with any other broadband providers, and you won't be protected by Broadband Buddy if you change to another provider.

Now TV guide

Step by step guide

1

To get started, simply choose an age rating to suit the people who'll be using broadband in your home. This automatically creates the appropriate internet security settings for all of your devices. Go to nowtv.com, under 'My details & settings', click 'Settings & PINs'

Broadband Buddy Here you can set a browsing time, block or allow websites or turn of Broadband Buddy.

The screenshot displays the Broadband Buddy settings interface. It is divided into three main sections:

- Grown up browsing time:** Contains a 'Set browsing time' card with a green clock icon, indicating the current setting is 'Currently on from 22:00 to 06:30' with a green checkmark.
- Block & allow websites:** Contains a 'Manage websites' card with a blue shield icon, indicating 'You have 2 blocked websites' with a blue checkmark.
- Want to turn off Broadband Buddy?:** A section with a red 'Turn OFF' button. The text below the button reads: 'We recommend you keep Broadband Buddy turned on to block malware and phishing sites. If you really want to turn off Broadband Buddy you can use the button below.'

At the bottom of the page, there is a dark blue footer containing social media icons for Facebook, Twitter, and LinkedIn, followed by a list of links: 'The Legal Bit', 'Privacy & Cookies', 'Privacy Options', 'Terms & Conditions', 'Accessibility', 'How to Contact Us', 'Complaints', and 'Community'.
